## **National Education policy and HPU-CCFUGP**

The National Education Policy (NEP) 2020 aims to transform higher education by promoting holistic, multidisciplinary, flexible, and student-centric learning. It envisions the development of creative, ethical, skilled, and socially responsible individuals capable of meeting the challenges of the 21st century. The policy emphasizes conceptual understanding, critical thinking, innovation, communication skills, and experiential learning instead of rote memorization. It also seeks to integrate sciences, social sciences, arts, humanities, sports, vocational education, and Indian knowledge systems to provide well-rounded education to students.

In accordance with the vision of the NEP 2020, the University Grants Commission introduced the Curriculum and Credit Framework for Undergraduate Programmes (UGC-CCFUGP 2022). Based on these guidelines, Himachal Pradesh University has implemented the HPU-CCFUGP for undergraduate programmes from the current academic session.

The new curriculum framework provides flexibility to students in choosing courses according to their interests and career goals. It promotes multidisciplinary education with a flexible choice-based credit system and multiple entry and exit options. Under this framework, students may obtain a Certificate after one year, Diploma after two years, Bachelor's Degree after three years, and Bachelor's Degree with Honours/Research after four years of study, subject to fulfilment of prescribed credits.

The HPU-CCFUGP also focuses on skill development, employability, value-based education, use of technology, research aptitude, and experiential learning. It encourages academic mobility, interdisciplinary learning, and the holistic development of learners while ensuring equity, inclusion, and respect for Indian culture and constitutional values.

Our college is committed to implementing the spirit of NEP 2020 by providing quality education, academic flexibility, skill-oriented learning opportunities, and a supportive environment that prepares students to become responsible citizens and lifelong learners.

- The prescribed credit weightage includes Lecture, Tutorial, and Practical components.
- In the first semester, students will be offered three different subjects within the same stream: A, B, and C (Core and Minor are provided here for illustrative purposes only).
- At the end of the second semester, each student may choose one of two programmes: the Multi Disciplinary/Interdisciplinary or Single Core Discipline (Major) programme. The student choosing the latter will be required to give his/her Major and Minor at the end of the second semester. Such choices, including DSCs made at the end of the second semester, shall remain in effect until the VI semester.
- Additional Seats: The Colleges may create 10% extra seats over and above the sanctioned strength to accommodate the request for a change of major. Any unfilled or vacant seats may be filled with those seeking a change of Major. Preference will be given to those with the highest CGPA and no arrears in the first year/semester.
- The DSCs of another discipline for the first two semesters of students who opt for Major programmes will be treated as Minors.
- A DSC offered in one discipline will be treated as a Minor by another. Students can choose Minor Courses from two different subjects, but must earn a minimum of 12 credits in each.
- MDCs must be selected from a broad discipline/pool of MDCs other than Major and Minor subjects.
- AEC/VAC/SEC-3 should be chosen from a pool of courses. Every discipline shall provide these courses, some of which will be offered discipline-specific, while the rest can be open to students of all other disciplines. However, the two SECs (SEC-1 & SEC-2) must be chosen from the discipline-specific (Core and Minor).
- A maximum of two language courses can be opted for as Core and Minor. AECs should be in a language other than what is studied in DSCs/Minors.
- I/A/P/C will be determined at the end of the first semester to enable students to carry out some I/A/P/C activities during winter vacation.
- To pursue an Honour degree in the 4th year, students will have to choose only one discipline in both semesters, in which s/he have studied 6 DSCs and 5 DSEs in the first three years.
- A student who secures 75% or more marks in aggregate till semester 6 (up to a 3-year degree) shall be eligible for a 4-year degree Honours with Research, provided HPU has approved the college to offer it.

14. Students in the BA programmes can opt for only one DSC each from the Bachelor of Performing Arts (Dance, Music, Vocal & Instrument/Tabla/ etc.) and the Bachelor of Fine Arts (Painting/Applied Arts/Sculpture/ etc.).
15. Major and Minor shall be awarded on fulfilment of the following conditions: For Major, 64 credits in a 3-year & 84 credits in a 4-year UG programme in a single Major Discipline. For Minor 28 credits in 4-year UG programme in a single Minor Discipline
